

SUGGESTED PRESENTATION

Builders Club Foundations of Success Award Advisor Recognition Program

The one-team member who truly determines the long-term success or failure of a Builders Club is one seldom in the limelight; one that rarely is recognized; and one infrequently granted the deserved acclamation. That team member is the faculty/Kiwanis advisor.

Club officers and members move on after a short tenure with the club. However, it is the advisor who remains to maintain vital continuity from year-to-year.

It is the advisor who, behind the scenes, gives so freely of time, resources, and effort - often at the expense of family, business, professional preparation, or personal recreation.

Today we are here to recognize and applaud this level of commitment, dedication, and investment of time, energy, and resources. The title of the *Foundations of Success Award* speaks for itself. The recipient has contributed substantially to building the success of the Builders Club program.

Please join me in grateful appreciation, along with the members of the Builders Club of _____, and on behalf of the Kiwanis International Board of Trustees, in honoring this year's recipient of the *Foundations of Success Award* to _____.

Thank you for all you do and we wish you continued success.
