

## **Builders Club Faculty Advisor Council 2025-26**

**The council's purpose:** To provide Kiwanis Youth Programs with the unique perspectives of faculty advisors about Builders Club resources, program support and what advisors and clubs need.

**Term for members:** August 2025 – May 2026; renewable for a total of up to three years.

**The council's work for 2025-26 will be to:**

1. Provide ideas for the development of new Builders Club resources available for download from the website (including meeting kits and ideas for service, fundraising, donations and advocacy projects).
2. Review materials that were revised based on feedback from the 2024-25 council.
3. Review current resources for parents and families and provide input for development of new resources.

**Commitments to be a council member:**

1. Attend three of the four virtual meetings (to be held in late September, November, January, and early April).
2. Review materials and documents and provide feedback when asked, sometimes prior to a meeting.

**How to apply:** Complete the online application form at <https://www.surveymonkey.com/r/Builders-Club-Faculty-Advisor-Council-application> between April 1 and May 31, 2025. *Members of the 2024-25 council do not need to re-apply to remain on the council in the upcoming year.*

**Requirements to be a council member:**

1. Applicant must be a current Builders Club faculty advisor with two or more years in this position, including 2024-25. A *faculty advisor* is a teacher, counselor, staff member or other adult appointed by the host school/organization to serve as the club's advisor.
2. Applicants must be familiar with and have used the meeting kits and other resources available on the [buildersclub.org](http://buildersclub.org) website.
3. The Builders Club must be in good standing. This means the club is active and its renewal fees have been paid for the current year.

**Benefits for serving on the Builders Club Faculty Advisor Council:** We will send you Builders Club swag and provide a letter for use toward professional development points/hours that outlines hours served on the council.
