LEADERSHIP CORNER

District administrator chat video is available!

In September, district administrators joined Kiwanis staff to review administrator responsibilities for the year and to go over an updated [Builders Club District Administrator Checklist](#). The checklist will help you keep track of key tasks throughout the year — and make sure clubs start and finish strong. During the chat, we also reviewed Kiwanis International Youth Protection Policies and shared good news and challenges. If you missed the district administrator chat, [watch the recording](#)!

Encourage your clubs to take part in Trick-or-Treat for UNICEF

Builders Club is partnering with Key Club International to support the [Start Strong: Zambia](#) initiative, which is helping give young children in Zambia a great start at life. Let clubs know that they can

order [Trick-or Treat for UNICEF boxes](#) to help with their fundraising efforts (and that they'll only pay the shipping cost).

WAYS TO DO SERVICE

After your Builders Club has identified a need or cause to address in your school or community, figure out which approach would work best for the project. Have members watch this video together to learn about the four ways to serve others: hands-on service, advocacy, fundraising and donating.

GET STARTED

EVALUATE SERVICE FOR GREATER IMPACT

Reflection is an important step toward improved service and teamwork. The Builders Club Service Toolkit has an easy-to-use activity and worksheet to help. Have officers lead the “Assess Service Project Impact” activity with members. The activity’s evaluation worksheet is a quick way to reflect on what went well and what to do differently next time!

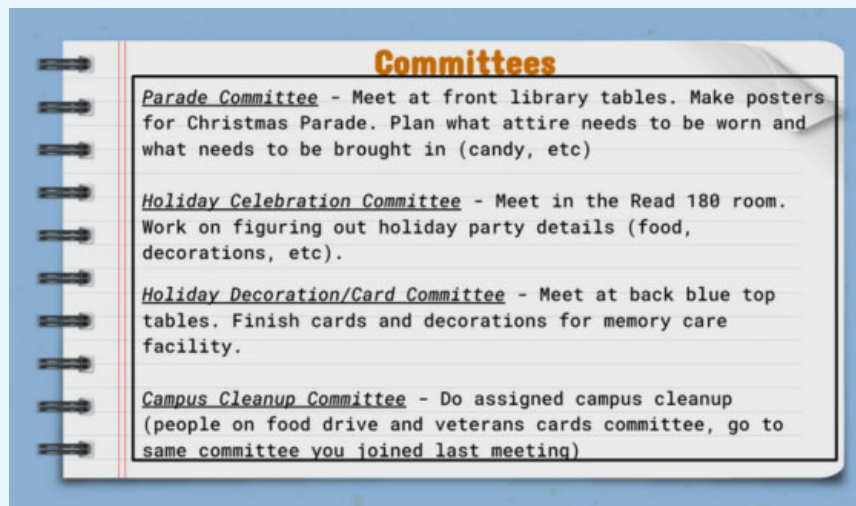

GET STARTED

CLUBS GATHER FOR GLOBAL KICKOFF

K-Kids and Builders Club members from around the world gathered online in September for the third annual Global Kickoff. We were inspired by Kiwanis, Key Club and Circle K International leaders and learned about service examples from distinguished clubs. Participants received this year's Global Service Project challenge — to make their communities healthier by carrying out a health and wellness campaign. Watch the Global Kickoff and Global Service Project videos as a club and get inspired!

CLUB COMMITTEES MAKE A DIFFERENCE

Committees are an exciting and effective way for clubs to engage their members while increasing organization and efficiency. Learn about the success the Builders Club at Western Sky Middle School in Goodyear, Arizona, U.S., had last year after introducing committees.

BUILDERS CLUB HELPS FURRY FRIENDS

The Builders Club of London Road Public School in Ontario, Canada, sold popcorn and pasta to raise over CA\$400 for the Sarnia & District Humane Society. The donation will purchase veterinary supplies and pet food for the shelter's furry residents.

[READ MORE](#)

We're growing our family one club at a time! Here are the newly chartered Builders Clubs and the Kiwanis districts where they're located.

- Walton Middle School, Charlottesville, Virginia, U.S., Capital District.

- New Century Middle School, Cameron, North Carolina, U.S., Carolinas District.
- Garrett Middle School, Garrett, Indiana, U.S., Indiana District.
- Lindenhurst Middle School, Lindenhurst, New York, U.S., New York District.
- Shawnee Middle School, Springfield, Ohio, U.S., Ohio District.
- Zhonghe Junior High School, New Taipei City, Taiwan, Taiwan District.
