LEADERSHIP CORNER

Welcome to the 2025-26 school year!

We look forward to supporting the work that you do with Builders Clubs, from helping your existing clubs start strong to chartering new clubs. If you have any questions, reach out to the Builders Club program staff at buildersclub@kiwanis.org.

Register to participate in the three district administrator chats this year! Part of each session will be a presentation or conversation about the chat topic, and the remaining time will be open for administrators to share questions, ideas, challenges and stories.

Find tools more easily on our website

Explore the reorganized [Builders Club website](#), where information important to a district administrator's work is now easier to find. Revised navigation topics include [About](#), [Start a club](#), and [How Clubs Work](#). And the new [Resources section](#) makes finding [Resources for Administrators](#) and Builders Club toolkits and other club resources a breeze.

Check out a loaner program kit

As you plan presentations with schools/organizations or district meetings with Kiwanis clubs this year, consider borrowing a Builders Club program kit from Kiwanis International. We have four "loaner" kits for administrators to check out. At least three weeks before your event date, email buildersclub@kiwanis.org to request a kit. In the email, include the address where you want it shipped, your phone number and any special instructions for the shipping company. A week after the event, the loaner kit must be mailed back to: Builders Club program, Kiwanis International, 3636 Woodview Trace, Indianapolis, IN 46268, U.S.
